for Canadian Military Service
Personnel and Veterans.

Canadian Military Service Personnel and Veterans Programs and Benefits.

Learn about the many programs and benefits that Mariposa has established to assist current serving military personnel, recently retired military, and veterans, that include business start-up grants. Discover programs that help with military life, such as opportunities to earn additional income and achieve a more sustainable career path through transition. Access a variety of business development and supportive services.

Who we are

The Business Development Department of Mariposa Group Canada Limited is an internal business unit that is focused and dedicated to offering beneficial and valuable advisory and financial support for talented people pursuing an entrepreneur career. We assist personnel who are currently serving in the military, who are recently retired, or who are veterans. Our many programs and benefits are applied to efforts of business development through growth and transition venture capital, with a focus on master franchise businesses, and small to medium-sized enterprise start-ups that would operate as fully controlled and integrated subsidiaries of Mariposa Group.

Forming partnerships with Mariposa.

Forming partnerships with Mariposa. Support for entrepreneurs who want to pursue or successfully grow their start-up subsidiary of Mariposa Group. If you are currently serving in the military and desire to earn an additional income, or you have recently retired from the military and have chosen to pursue an entrepreneur career, or you are a veteran and desire to own and operate a successful business, then we invite you to consider forming a partnership with Mariposa.

Master Franchise Programs:

- Painting and Decorating.
- Property Renovations, Restorations, and Maintenance.
- Property Architecture and Development.
- Property Cleaning.
- Home Staging and Preparation.
- Real Estate Marketing Services.
- Mortgage Services.

We support militrepreneurs.

If you are an aspiring militrepneur, aged 30 to 62, you may be eligible for up to CDN \$60,000 in venture capital assistance to startup and grow your own business. You will also gain access to an expert business leadership and management mentor, tools and resources to succeed.

**Mariposa is led and was
enabled to succeed by
military heroes.**

**At Mariposa, when we say "the only easy day, was yesterday"
it's not some punch-line,
it's our state of mind!**

We are dedicated to helping you succeed.

Overcome a business challenge or effectively manage your next growth milestone by working with our business development experts. Our seasoned consultants have industry and sector experience that focuses on master franchising and business subsidiary approach that integrates proven methodologies and best practices that enable rapid, tangible, and successful results.
