Apprentices in the trade of painting and decorating that you can trust to deliver the best results with using Benjamin Moore products.

Each apprentice is currently pursuing a career in a trade profession, they are most likely a student at one of Canada's finest Universities or Colleges. Every apprentice assigned to paint, decorate, and manage residential or commercial property improvement projects, is demonstrating professional abilities, and able to operate effectively.

Mariposa's apprentices are trained by Benjamin Moore Certified Specialists and painting and decorating experts with every instructor having no less than 8 years of experience.

Some details to know about our apprentice program...

Mariposa as a company does not accumulate any profit from projects that are categorized as (Shoe String Budget); with 100% of profit proceeds are allocated to the apprentices so that they can excel and earn a decent income while attending university or college.

Mariposa provides extensive training through a 2 to 4 year apprentice program, where young men and women learn the fundamental skills in both business and life so that they can successfully evolve and excel as a professional tradesperson. Some of our apprentices have graduated and moved on to become one of the very best and most successful premier designers and master home builders.
