# Wallpapered and Painted Walls

Since the early 1970s, we at Mariposa have inspired people to think differently about their walls through continuous innovative and creative thinking, and by valued artistic craftsmanship. Undeniably famous for wallpaper, we have developed our painting and decorating techniques range to blend perfectly with our wallpaper patterns.

To assist with making the choice easier, all our wallpapers have four recommended colours that our trends and decorating team have selected to either complement, match or contrast with the key colours in each wallpaper.

The most important aspect for us at Mariposa, is that our clients are able to select wallpaper and painting techniques that are truly made for the coordinated benefit of each other.
